IRS REPORTING

Only the official IRS landscape format can be submitted when reporting to the IRS.

EMPLOYER FILE COPY AND REPORTING

Employers must file with the IRS using the landscape format only. They are also required to keep a copy on file and provide a copy to the recipient for their records.

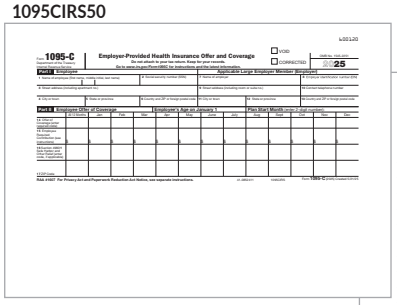

RECIPIENT REPORTING

Employers and Insurance Carriers may provide the employee/recipient the approved portrait format. These are available in pre-printed or blank form version designed to accommodate envelope 77771. We recommend you review software compatibility.

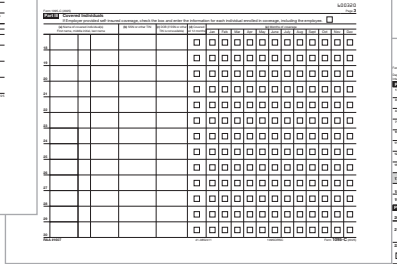

IRS LANDSCAPE FORMAT IS NOW TWO PAGES

Please note that Form 1095-C (IRS landscape format) is two pages. Part III, which is on self-insured coverage for employees and dependents, has moved to page 3 (instructions are on pages 2 and 4). Employers must purchase Form 1095-CIRSC if dependents need to be reported, or if coverage was employer-provided, self-insured coverage.
